2. The District Superintendent of Police, South Kanara has reported that the Commissioner, Mangalore Municipality has forwarded to him a demand for Rs.1,378/- in respect of the charges for the clearance of sullage water from the eight cesspools attached to the latrines of the District Police Office, Armed Reserve and Town Police lines at Mangalore for 1952-53. This charge is reported to be the first of its kind demanded as per bye-law framed in resolution No.1235 dated 4-8-51 of the Mangalore Municipality and confirmed in its resolution No.695, dated 26-4-52. The demand notices received from the Commissioner Mangalore Municipality are sent herewith for the perusal of the Government. The charges now claimed are in addition to the charges which are being incurred by the District Superintendent of Police on scavengers who clean the latrines of the District Police Office, Armed Reserve and Town Police lines. In this connection, I enclose, for the information of the Government a copy of letter No.G.2.1562/54 dated 23-2-54, from the Commissioner, Mangalore Municipality to the District Superintendent of Police, South Kanara. The amount of Rs.1,378/- claimed by the Municipality has been correctly calculated in accordance with the rates mentioned in the letter referred to above. With reference to G.O.Ms.No.638, Home, dated 12-3-54, District Superintendents of Police can sanction variations in scavenging charges provided they are satisfied that the rates are reasonable with reference to the prevailing market rates. The District Superintendent of Police, South Kanara is already incurring expenditure on scavenging charges and the amount claimed by the Municipality is a new item of expenditure. Hence I am submitting this proposal to the Government for sanction.

3. The expenditure will be met from the appropriation under "29 c. Police - District Executive Force - A. District Police - 6 other charges - scavenging charges".

Police - Scavenging charges - South Kanara district - Cesspools attached to the latrines of the District Police Office, Armed Reserve and Town lines at Mangalore - Payment of clearance charges to the Mangalore Municipality

From the I.G. of Police, Rc.No.1257/Acct/53 dated 19-7-54.

The I.G. of Police has requested [illegible] an expenditure not exceeding Rs.1,378/- per annum for payment to the Mangalore Municipality for the clearance of sullage water from the 8 cesspools attached to the latrines of the District Police Office, Armed Reserve and Town Police lines at Mangalore may be sanctioned.

2. The I.G. has stated that this charge is the first of its kind demanded as per bye-law framed in resolution No.1235 dated 4-8-51 of the Mangalore Municipality and confirmed in its resolution No.695, dated 26-4-52. He has also stated that the charges now claimed are in addition to the charges which are being incurred by the D.S.P. on scavengers who clean the latrines of the District Police Office, Armed Reserve and Town Police lines. It has already been decided that a fee can be charged by a municipal council for the cleansing of the cesspools in private premises but that no fee can be charged for the removal of filth taken out from the cesspool in private premises in the course of the cleansing operation and that the fee for cleansing can be charged even in cases where a scavenging tax is levied. As it is reported that the charges referred to in para 1 above are only for cleansing the cesspools attached to the District Police Office, Armed Reserve and Town Police lines, Mangalore by clearance of the contents, it seems that the charges ~~may be sanctioned~~ have to be paid. For orders.

Subject to orders a draft order is submitted

for approval. H.E.L.A. and Fin. may see for acceptance.
